

NOTICE

Registration of Undertaking for Environmental Assessment ENVIRONMENT ACT

This is to advise that on July 7, 2026, PROSPECT INDUSTRIAL EQUIPMENT SALES & RENTALS LTD. registered the STURK QUARRY DEVELOPMENT PROJECT for environmental assessment in accordance with Part IV of the Environment Act.

The purpose of the proposed undertaking is to develop and expand the existing <4 ha Sturk Quarry, located at 568 Canaan Road, in the community of Morristown, Kings County. The quarry, which was opened in 2013 under a temporary operating permit, is located on PID 55514392, 55518898 and 55146393. The quarry expansion footprint will be a maximum of 52.9 ha in addition to the existing <4 ha quarry footprint. The project is anticipated to commence in the fall of 2026 and with an anticipated project lifespan of 40 years. Aggregate from the Sturk Quarry is used locally for provincial road construction projects and is expected to operate on a similar level to the historic quarry operations currently taking place. Current quarry operations include blasting, crushing, asphalt production, and heavy equipment operation, and with continued estimated production of an average of 60,000-70,000 tonnes of aggregate annually based on market demands.

Copies of the environmental assessment registration information may be examined at the following locations:

- Canada Post Berwick - 136 Union St, Berwick NS B0P 0A7
- Berwick and District Library - 236 Commercial St, Berwick, NS
- Nova Scotia Environment & Climate Change – Regional Office, 136 Exhibition Street, Kentville NS B4N4E5
- NSECC EA website (when available)
